

Below is the latest updated approved umpires list and a few reminders:
Names in GREEN are good to umpire, however they need to revalidate their qualification by 14/15 season end, should they not do so, they will be required to re-do a whole course

Please note, it is an HKNA requirement for Division 1 umpires to either be badged or have the Umpires Convenor approval.

Names highlighted in red in Division 1 teams are deemed capable and should be used where you know it is a hard or tight game, if in doubt; please do not hesitate to check.

Please also be reminded that anyone under the age of 18 is required to have adult supervision.

Lastly, VERY IMPORTANT, please ensure that all your umpires sign the 'Sign In' sheet LEGIBLY as we will not be chasing these up. If we cannot read the name, or an umpire forgets to sign in, you will be fined, points penalised as a no-show.

Independent umpires who are not players must still register as an umpire by completing 'Form C' from the HKNA website

Below is a list of those players that are qualified to umpire from respective teams/clubs.

This list will be updated regularly and is listed in alphabetical order.
